

A Miracle Made of Bricks

In Pahrump?

Something big is happening in the small town of Pahrump Nevada. In the past few years thousands of families have settled in Pahrump, and yet despite of its phenomenal growth and the expanding amenities of a big city, nothing like this has happened before. This sprawling community located just 60 miles west of Las Vegas is about to witness a miracle. What is the miracle?

Its a building!

It's a brand new building to be funded through a generous grant from the Donald W. Reynolds foundation. A building that will serve as a beacon of light for those seeking help. A place of refuge. A shelter. A haven for the hundreds of women and children in Nye and Esmeralda counties suffering from the effects of physical or mental abuse. We call it...

A miracle made of bricks!

Who is it for?

The entity behind this undertaking is the Nevada Oureach Training Organization, better known as **No To Abuse**. No To Abuse is a community based non-profit organization committed to stopping abuse in the family environment. No To Abuse has been serving Nye county since 1996. No To Abuse sponsors an abuse hotline, a women's shelter and extensive counseling services to those facing domestic violence. People have been touched, families have been protected, the abused have been fed and clothed and lives have been saved through the efforts of the dedicated board, staff and volunteers at No To Abuse.

It is no wonder then that with a need this great, a staff this competent, and a community this supportive, No To Abuse was selected by the Don Reynolds Foundation as the recipient of a sizable grant to build a new women's shelter and service center to serve Nye and Esmeralda County residents in crisis.

This is the big event...and we're inviting you to be a part of it!

**Be a part of our brick miracle!
What do we want from you?**

Before we ask for your help, you should first know that the funding provided by the Don Reynolds Foundation will be used to construct the building itself--the foundation, the bricks and mortar, the plumbing, the electrical, the heating, ventilation and air conditioning systems, the wall board, the paint, the carpet, the mouldings, the windows, the doors and even the little peephole in the front door. Everything including the kitchen sink!

If that is not generous enough, the Donald W. Reynolds Foundation will also provide the furnishings--desks, chairs, telephones, copy machines, refrigerators, file cabinets, beds, linens, towels, playground equipment and probably a few teddy bears.

So, what more could No To Abuse need?

There are 2 simple things No To Abuse must have before we can break ground on our miracle building, and that is why we are seeking your assistance. First, we must obtain the land on which to construct our miracle building; and second, we must have 35% of the total cost of the building in a fund for maintenance and upkeep prior to receiving the full grant award. To put it frankly, we need the financial assistance of generous people like you to complete our miracle.

Our need is your chance to give.

Every donation obtained for our building fund will be pooled to produce the equivalent of a 300% match award from the Don Reynolds Foundation. Talk about leverage!

You'll not only receive the tax benefits of donating to No To Abuse, (a 501c3 nonprofit charity), but you'll also positively affect the lives of the more than 800 families that receive assistance from No To Abuse annually.

Fulfill our need, fill your heart.

The only thing better than a full pocketbook is a full heart. As you help No To Abuse fulfill its financial goals, we guarantee your heart will be filled too. Your generosity will be reflected in a young mother's face as she discovers there is someone who cares and can offer her a better life. You'll hear it in the laughter of children playing without fear for the first time in months.

A final Plea!

The cause is worthy. The need is great. And thanks to the Don Reynolds Foundation, the once inconceivable thought of a beautiful, state of the art, women's shelter for Nye county has been brought into sharp focus. Won't you help us in our quest by donating to the No To Abuse building fund?

On the next page you'll find a donor form you can use to make your tax free donation. Please complete it now while we're on your mind. Select the funding level you feel you can give, or set your own. The sky's the limit.

We would love to hear from you, or have you visit our current administrative offices (an old house generously loaned to us by the town of Pahrump). If you have any questions about the programs we offer, the people we serve, our caring staff and board, or our miracle building to be provided by the wonderful folks at the Don Reynolds Foundation, please feel free to contact us by phone, letter, fax or E-mail. Our web site is www.notoabuse.org.
